Scope

Below is a comprehensive bibliography of the published works of Michael E. Lamb, Ph.D. It is divided into two sections, *Child Development* (p. 3) and *Forensic Interviewing of Children/Child Witness Research* (p. 43). Both sections are arranged in descending order. All reprints are listed with the citation of the original article or book chapter. While every effort was made to locate all of Dr. Lamb’s publications, due to his extensive authorship, and the fact that many of his works have been translated into several languages, there may be some omissions. Coverage is 1973 to 2020.
