Preferred citation: National Children's Advocacy Center. (2020). Tom Lyon Collection: A Bibliography. Huntsville, AL: Author.

This project was supported by a grant awarded by the Office of Juvenile Justice and Delinquency Prevention, Office of Justice Programs, U.S. Department of Justice. Points of view or opinions in this document are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice.

## Scope

This collection is comprised of publications authored by noted researcher and professor, Thomas D. Lyon, J.D., Ph.D. Dr. Lyon is professor of Evidence, Law and Psychology, and Child Interviewing in the University of Southern California Law. He has been studying child witnesses and child maltreatment for over two decades. His publications are among the most influential in the areas of children's memory, disclosure, witnessing, and testifying.

## Organization

This collection is not complete; even so, it currently contains close to **75 publications**. Publications are listed in date-descending order. More information and most of the articles can also be obtained in the Child Abuse Library Online and at the following: <http://works.bepress.com/thomaslyon/>

## Disclaimer

This bibliography was prepared by the Digital Information Librarian of the National Children's Advocacy Center (NCAC) for the purpose of research and education, and for the convenience of our readers. The NCAC is not responsible for the availability or content of cited resources. The NCAC does not endorse, warrant or guarantee the information, products, or services described or offered by the authors or organizations whose publications are cited in this bibliography. The NCAC does not warrant or assume any legal liability or responsibility for the accuracy, completeness, or usefulness of any information, apparatus, product, or process disclosed in documents cited here. Points of view presented in cited resources are those of the authors, and do not necessarily coincide with those of the National Children's Advocacy Center.
