Collection: A Bibliography. Huntsville, AL: Author.

This project was supported by a grant awarded by the Office of Juvenile Justice and
Delinquency Prevention, Office of Justice Programs, U.S. Department of Justice. Points of
view or opinions in this document are those of the author and do not necessarily
represent the official position or policies of the U.S. Department of Justice.

Scope

This bibliography lists publications by David La Rooy including reports, articles, and book chapters. Links are provided to full text publications when possible. David La Rooy, PhD, is a Chartered Psychologist and internationally recognized expert in child forensic interviewing. He provides specialist training to police, social work, solicitors, lawyers, advocates, sheriffs, and judges. He is currently a Senior Lecturer in the School of Law at Royal Holloway University of London. He has worked closely with the developers of the NICHD Protocol for several years.

Organization

Publications are listed in date-descending order.

Disclaimer

This bibliography was prepared by the Digital Information Librarian of the National Children's Advocacy Center (NCAC) for the purpose of research and education, and for the convenience of our readers. The NCAC is not responsible for the availability or content of cited resources. The NCAC does not endorse, warrant or guarantee the information, products, or services described or offered by the authors or organizations whose publications are cited in this bibliography. The NCAC does not warrant or assume any legal liability or responsibility for the accuracy, completeness, or usefulness of any information, apparatus, product, or process disclosed in documents cited here. Points of view presented in cited resources are those of the authors, and do not necessarily coincide with those of the National Children's Advocacy Center.
